

## Original Feld Post Box Mailing Labels:

Print 'Actual Size' on standard white or beige printer paper for best results. Cut around the outside edge of labels. Affix labels to feldpost mailing package of your choice. Fill out label with sender information (Abs. = Absender = Who is it from. Ort = City. Str. = Strasse = Street Address) Then fill out label with recipient information (First line should be; Rank, First Name, Last Name. Second line should be unit information. Third line should be the feldpost number for the recipient).

Labels are not to be reproduced and sold.
